

Ovations! Letter of Intent

It has brought profound joy to my life to support Musicopia's mission of providing equitable access to music education and enrichment, encouraging self-confidence, global awareness, dedication and joy in Pre-K to 12th grade students and their communities. Access to the transformative benefits of music education is vital to the health and well-being of all children. With the goal of continuing to support this important work, I have included Musicopia in my long-term philanthropic plan. I am honored to become a member of Ovations!, the Legacy Society of Musicopia.
